Mont Co Commerce Dep't

Michael Shorr
Regional Director, PA Department of
Community & Economic Development

About the Neighborhood Assistance Program

NAP is a Tax Credit Program administered through the PA DCED to encourage businesses to invest in projects from 501c(3) organizations which improve distressed areas and/or benefit low-income or vulnerable populations. The program encourages and strengthens partnership between the private, nonprofit, and public sectors by providing tax credits to businesses that provide contributions to vital community projects.

Registration
