

BUCKS-MONT TRAUMA COALITION MEETING

Friday, February 27

9:00-10:30am

Zoom

REGISTER NOW

Join us for a virtual community conversation featuring experts from the community. Together, we'll explore how trauma shows up in our community—from everyday stressors to critical incidents—and share practical, compassionate ways neighbors, families, and colleagues can support one another.

This session is designed to build understanding, connection, and real-world tools for collective healing.

Sherry Wherry

CEO & Founder, Wherry Consultations
Bucks-Mont Trauma Coalition
