MONTGOMERY COUNTY, PA

# HEALTH & HUMAN SERVICES

## LEADERS MOST OFTEN REACH OUT TO US BECAUSE...

- They encounter unhoused individuals needing support.
- They need help responding to behavioral health-related crises.
- Residents require services beyond organizations capacity (housing, aging, mental health, child welfare).
- They need coordination for public health concerns, environmental issues, communicable disease exposures, or food or water safety issues.
- They want partnership on local events, emergency planning, or community education.

## ACCESS TO SERVICES

Community Connections is the primary access point to services.
