Your voice matters!

Are you a teenager in Montgomery County who has thoughts about what's happening in the world right now?

Do you have ideas about your community, your future, or the challenges your generation is facing?

We invite you to attend a welcoming space, to share thoughts, connect with others, and process what's happening around us. When world events can feel overwhelming, this gathering is intended to be a safe, respectful forum.

Your County Commissioners want to hear from you.
