COMMUNITY VACCINE CLINICS

Flu and Covid: Ages 6 months+ *MMR: Ages 12 months+*

OCTOBER 2026

Flu, Covid, and MMR vaccines are available for people who live, work, or attend school in Montgomery County. If you have insurance, please bring your insurance card. Insurance may be billed, but there is no cost or co-pay.

Appointments are available for all locations. Call or check our website for details and vaccine availability. People without appointments will be accepted while supplies last. Appointments are prioritized.
