Thursdays: 9 a.m. - 3 p.m.

Location

Montgomery County
Office of Public Health
364 East King Street
Pottstown, PA 19464

**Call with questions or
make an appointment**

610-970-5040

Why Get Vaccinated?

- Being vaccinated is highly effective to protect against measles.
- Measles is extremely contagious and can cause serious complications.
- High vaccination rates help protect infants and individuals with weakened immune systems.
- Two doses of MMR vaccine provide the best protection.

**If you have insurance, please bring your insurance card.
Insurance may be billed, but there is no cost or co-pay.**
