

What is LIFE St. Mary?

LIFE, or Living Independently for Elders, assists older adults to live safely at home, providing a safe alternative to nursing home care. LIFE offers medical, health and social services within our Centers to give participants the ability to stay independent at home and in the community.

What services does LIFE St. Mary provide?

The goal of the LIFE St. Mary program is to help participants stay as independent as possible while attempting to prevent unnecessary hospital stays and provide the quality health care services they deserve.

The LIFE Center is the heart of our program. This is where our team of health care professionals, who specialize in the care of older adults, will work to monitor our participants and address their healthcare needs. In addition to medical and health support, our Center provides nutritious meals and a variety of activities to keep them happy, active and even the opportunity to make new friends. Transportation to the Center is provided.

Medical services may include:

- Adult day health services including recreational and social programs
- Primary and specialty medical care
- Nursing care
- Prescription and over-the-counter medications
- Occupational, physical, and speech therapy
- Foot, vision, and hearing care
- Dental care
- Mental health services
- Medical equipment
- Nutrition counseling and diet planning
- Personal emergency response systems
- Nursing home care (if required)

Supportive services may include:

- Caregiver respite and caregiver support group
- Spiritual care and counseling
- Personal care services

Social services may include:

- In-home services including light housekeeping, laundry, meal preparation, adaptive equipment, and assistance with bathing and dressing
- Social work services
- Transportation
- Home-delivered meals

Other than emergency care, all services must be authorized by the care team. A provider within the LIFE network must deliver these services. Participants may be personally liable for the cost of unauthorized or out-of-network services.

Who is Eligible for LIFE St. Mary?

- Those 55 or older
- Live in the LIFE service area
- Need the level of care that requires nursing facility type services
- Can live safely in the community with the services provided through LIFE St. Mary

LIFE St. Mary accepts Medicare and Medicaid, or private payment. For participants who do not qualify for Medicaid, there is a flat monthly fee. Once participants are enrolled, LIFE St. Mary handles all paperwork and claims. LIFE participants are required to pay monthly premiums as they relate to continuing eligibility for Medical Assistance, Medicare and/or private pay services.
